

# WE ARE HIRING

## COFFEE SHOP VOLUNTEERS

We love coffee and people! As well as creating a great cup of coffee or hot drink we are also creating a great atmosphere. It isn't just a coffee shop; it's a part of people's stories.

As a Warehouse Coffee volunteer, you will be responsible for serving our customers throughout your day. You will be making a range of coffees and drinks as well as preparing foods and serving sweet treats. You will be given full barista training as well as being trained in food safety and hygiene. We are very flexible - we are just looking forward to having you join!

If you are friendly person looking to spend a few hours a week with an even friendlier team, then we are the place for you.

LOCATION - Warehouse Coffee Shop, Doncaster, DN2 5TB
